WE DO IT TOGETHER!

WE DO IT RIGHT!

WE DO IT WITH PRIDE!

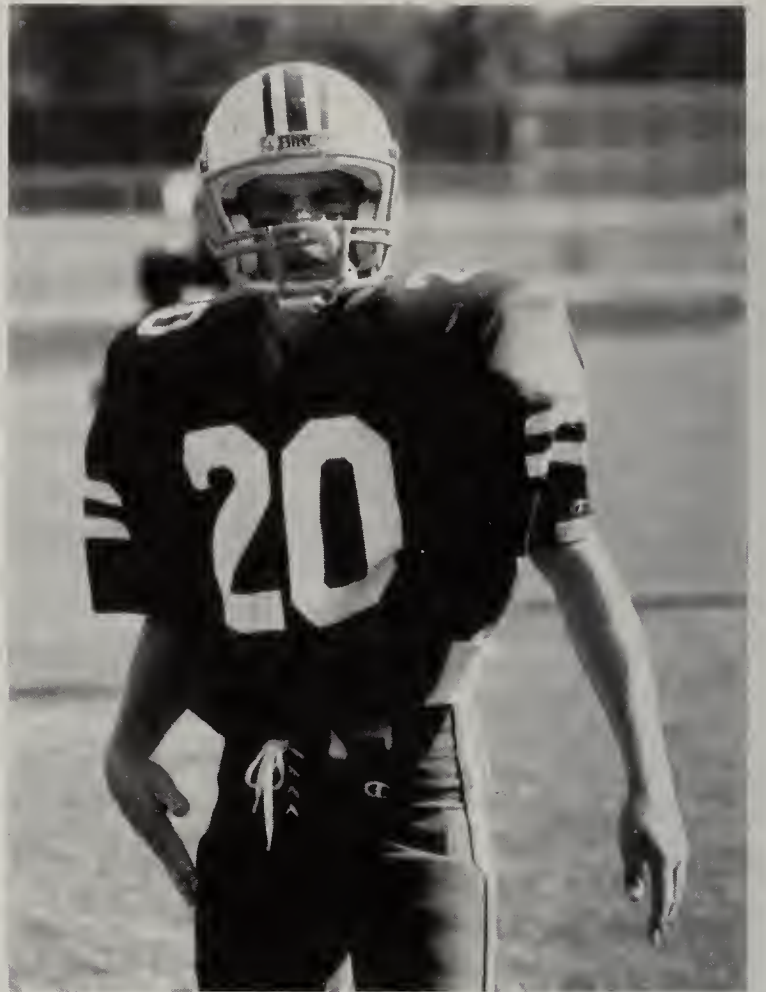

This was the battle cry of the 1989 Hingham Harbormen Football Team. With hard work, desire, terrific fan support, and the leadership of co-captains Matt Kay and Chuck Campbell, the team provided Hingham High with an extremely exciting football season. The teams record was only 3-7, but that doesn't count all the closely contested, thrilling games. There were victories over Scituate, Weymouth, and Silver Lake. There were also close contests with Marshfield, Bridgewater, Taunton, and a heartbreaking loss against Randolph.

The 1989 Harbormen more than doubled last year's scoring production from 76 points one year ago to 162 points in 1989. The team gained respect through its show of guts to superior opponents. Perhaps we showed the greatest courage of all as the Senior teammates sang a number in the fall musical, "Broadway to Baghdad", appropriately entitled "You Gotta Have Heart." In the end, 4 Old Colony League all-stars were produced: Sean Dann (1st team), Matt Kay, Matt Carnes, and Chuck Campbell. Also, Hingham Football won the respect of all its opponents, and returned spirit to the halls of Hingham High School.

## FIELD HOCKEY

The Hingham High Field Hockey team had one of the most successful seasons in many years. Through hard work, dedication, commitment and effort the team won the title of OCL CHAMPS with a record of 13-1-2. The first win of the season was Coach Gordon's 200th victory.

The team consisted of many seniors including: Co-captain Katie Costello, Co-captain Lisa Doty, Tracey Cornell, Sarah Heap, Sharon Baynes, Tori Esser, Caitlin Kelliher, Holly Fisher, Sarah Cook, Kristen Antall, Lizzie MacLean, Pauline Murphy, and Nicole Buba.

The outstanding record of the team was the best out of over 30 teams awarding the girls the top seed in the South Sectionals, earning a bye for the first game. In the second game Hingham was beaten by a very competitive team in an opposing league causing them to be disqualified.

Message to Coach Gordon: We all want to thank you so much for the great year we had. You are the best coach around and we never could have done it without you. Our Hingham High Field Hockey career is one that will never be forgotten and you are the one that attributes to that.

M. Thomas, B. Hughes, A. Prime, R. Clinton, M. McCann, T. Mehrmann, M. Cotsonas, C. Krastin, J. Thorpe, B. Hughes, R. Gatnik, M. Brennan, B. Farrell, R. Stevens, B. Delgallo, T. Corry, P. Goulding, E. Chalmers, B. Mayhew, D. Scipione, M. Veneto, J. Norton, L. Fleites

The 1990 Boy's Soccer Team possessed great skill, and its 7-4-5 record and subsequent trip to the State Tournament proved this. Senior tri-captain Charles Krastin, who led the team in scoring (14 goals), posed an offensive threat that forced other teams in the league to adjust their defense accordingly. At midfield, senior tri-captain Doug Scipione, with the help of the very talented, enthusiastic, and energetic Adam Prime, kept the team together and made it possible for the Harbormen to play the transition game effectively. The Harbormen's defense, led by tri-captain Eric Chalmers at sweeper and Mike (Mook) McCann at stopper, frequently disheartened the opposition by spoiling their offensive bids. The experienced outside backs, Randy Gatnik (Chief) and Rick Stevens (Rickles), stopped the ball carrier coming down the middle. This team has been called the best Hingham has seen in a long time, which is a great accomplishment considering who's been on the team in past years — Delay, Schuwerk, Hughes, Antall . . . Special thanks to our statistician, who kept track of our joys and sorrows on paper — Cecily Kovatch.

## *GIRLS VARSITY SOCCER*

The 1989 Girls Soccer team had an abundance of talent this year with their solid attack, defense and goalkeeping. Tri-captains Katie Delay, Emily Greenlaw and Allison Taylor helped unify their new skills for a great season. The experience of Seniors Cherie Myatt, Barbara Violandi, Amy Williams, Maura Zaccardi and Stacey Mortimer was another key to the team's success. Throughout the season, the team played quality soccer and had a lot of laughs and good memories.

This year's ice hockey team is lead by tri-captains Brian Porier, Tim Griffin, and Rob Canavan. Canavan (60 points last year as leader of the league) and Griffin (4th in the league) lead a potent scoring attack while Porier heads a strong defense. Returning for the squad are four O.C.L. all stars Rob Canavan, Tim Griffin, high-scoring wing Greg Jarvis, and outstanding defenseman Rick Schuwerk. All the players have contributed to make the Harbormen a fierce, undefeated team. It was a great year for us.

The 1989-90 Indoor Track team, comprised of about twenty-one extremely dedicated members, is led by the strong tri-captainship of Josh Messer, Brian Porter, and Dan Griffith. This year's team, stronger than the teams in years past, has a core of strong runners from all grade levels, freshmen to senior. The team itself is accomplishing respectable results against formidable adversaries who in previous years would have decimated the team.

Coming off last year's winning season, the Hingham High School wrestling team hopes for another successful season under Coach Barges. Starting off the line-up, Zach "the Animal" Jones feeds on his prey at 103 lbs. while Nakul Vakil cleans up house at 125. Newcomer from Illinois, Tom Cochran, and 6th ranked in New England Matt Shane, explode at 135 and 160. Finally, Tim Routhier and Bertram Farmer eat up the upper weights at 189 and heavyweight. Along with the underclassmen, this awesome line-up will wreak havoc on the O.C.L.

# SAILING

The 1989 Hingham High School Sailing Team continued to fulfill its traditional role in being one of our school's most successful teams. As they have for the past twelve years, the sailmen qualified once again for the state regatta at MIT and posted an overall finish in the top five. The '89 team featured sailors who qualified for both the Laser and 420 North American and World tournaments. This year's team is led by returning senior captains Douglas "Spin" McFadd, Gregg "Main" Hren, and Andrew "Jib" Sanocki. The Dynamic Duo of Hren and Sanocki, feared by all on the Charles, hope to sail their regular season win streak of seven races into this season. Strengthened by experienced underclass support and inspired by the official sailing music of CCR, VH, CSN & Y, EC, GD, SM, and Bob, the 1990 Sailing Team feels it can finish both at the top of its Blue Fleet and win the opening invitational at the Coast Guard Academy.

In the 1989 season, the Hingham High School softball team played well against many competitive teams in the Old Colony League. Hopefully the 1990 season will have brought even greater success. Our style has always been hard work, determination, and team spirit. This spirit has been carried on by co-captains Melanie Brooks and Jen Welch who have supported the team strongly since sophomore year. Jen hurling pitches with determination and style and Melanie standing strong at second base . . . Other great contributions have been made by seniors Diane Buxton with her power swing and variety of talents, and senior Susann Cafferty having made a strong varsity debut at short stop. The team has also been helped out with talented juniors and other underclassmen who are sure to carry on the softball spirit. Many thanks to coach Mortimer for helping us to strive for the best. Hope we capture the Old Colony League Title this coming season!

The 1989 Boys' Tennis season was an optimistic one. Several prominent players had returned to the varsity squad. The team finished the season with a record of 15 wins and 2 losses as the Co-Old Colony League Champions, and advanced 3 rounds in the State Tournament before losing to Sharon, the 1989 State Champions.

Our singles lineup returned unchanged. At first singles was Junior and third year varsity player Doug Scipione. Co-captain Chad Hoover played a strong second singles. Junior Eric Chalmers also had a great success at third singles.

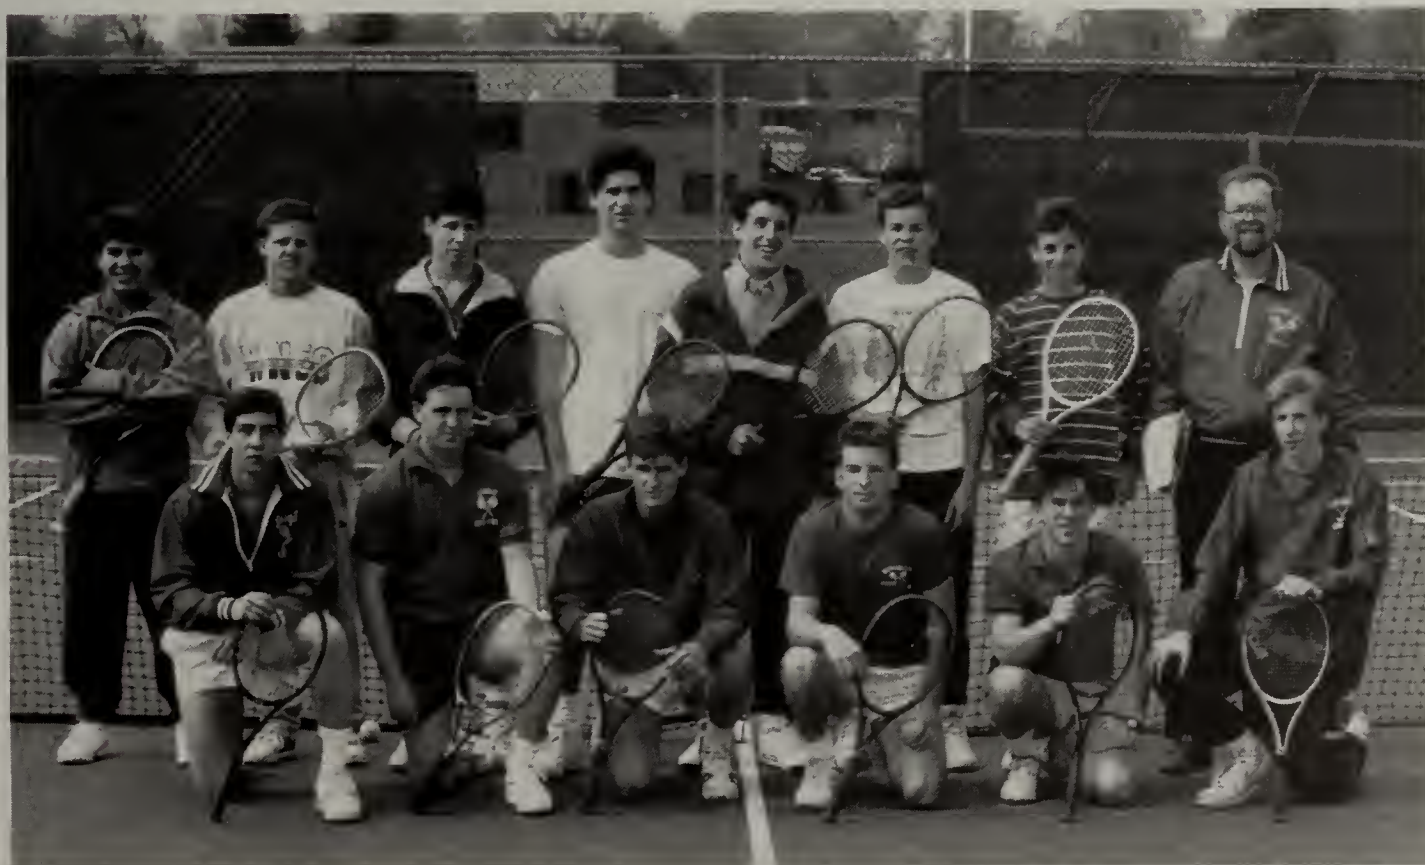

Our doubles teams remained a dominant force in the league. The first doubles team of Junior Chris Maguire and Freshman Stephen Murray, ended the season undefeated, and was runner-up in the South Sectional MIAA Tournament. At second doubles Co-captain John Mullen and Junior Karim Zia were undefeated in league matches.

With the support of our alternates and coach Bill Kates, the season was a success. The 1990 season looks optimistic again, with many returning players and the veteran leadership of tri-captains Eric Chalmers, Chris Maguire, and Doug Scipione.

Last season the Girls Tennis Team lost four of their best players and most importantly, they lost their coach, Diane Sides. Despite these losses they once again enjoyed a very successful season. The new coach Jan Bickford was a smash as well as her little daughter Aicha who kept everyone well entertained running around with her huge racket. With a winning OCL record behind them, they unfortunately did not claim the title last season. However, this has greatly motivated the team to regain the trophy this year. Hopefully, along with the new coach and the two captains, Lizzie MacLean and Jill Demartinis, the team will lead itself toward a victorious season.

Earlier this year, the band joined with the orchestra and chorus to conduct the most successful orange and grapefruit sale yet. We will be using the profits from our traditional fundraiser to travel to Montreal in April to compete with bands from around the United States in an annual music festival. Last year in Washington D.C., the wind ensemble earned a silver medal in this competition, and we hope to perform even better this year.

The Hingham High Chorus, directed by Dr. Paul Cappers, performed in several concerts this year. It's first was Vivaldi's Gloria (in junction with the orchestra), followed by a Winter Concert, Spring Concert, and performance aboard a float in Boston Harbor. In April, the chorus will compete in an annual competition held this year in Montreal, Canada. Respected by many to be one of the best in Massachusetts, the chorus features many seniors. In the soprano section, seniors are Gail Gregoire, Cheryl Langill, and Joan Pimentel. The "girly-mon" tenors are led by Ed "Big Boss Man" Chiu and Carsen "Dead Head" Lynch. But the real anchor of the chorus is the bass section, without which the chorus would go spinning uncontrollably into A-block study hall. Seniors in the bass section are Michael "Chuckles" Benard, Andrew "Tone" Sanocki, Joshua "Nosoul" Parrillo, and James Coleman.

The Hingham High School Jazz Band, even with the extreme changes that have occurred in the music department, is still swingin'. Under the new direction of Mr. Roger MacClentic the Jazz Band will continue to compete in the District Jazz and Montreal Music Festivals. The band consists of one happenin' rhythm section with seniors Ben "Mr. Funk" Torrey on bass, Joan Pimentel on the skins, and the gem Nate Richardson on his axe, and the sisters of soul on piano. Featured in the horns is none other than the mighty senior Andrew "Wonder Boy" Sanocki on t-bone, and section leader Jason Brandenburg on trumpet. Last but not least are the "slick" saxophones anchored by Amy Carpenter on lead alto, the gruesome senior Victor Cappella on lead tenor, and the colossal Josh Messer packing it away on bari. Altogether they represent one of the most talented Jazz Bands around.

The French Club has had a quiet but productive year, Madame Flaherty and the officers have led the Club in a lucrative candy sale fundraiser. Madame Flaherty led the crusade selling all sorts of candy anywhere at anytime. Judging from the crowds around Madame during study, the club has raked in some serious profit. At this time the amount is undisclosed; they don't want to boast about their unprecedented success in the area of fundraising.

This year the Hingham High Harborlight has become more popular than ever before. With more pictures, humor, and sports features the Harborlight has tried to foster the continued growth of school spirit here at H.H.S. More in depth editorials have touched on important student issues and articles on world and environmental issues have increased student awareness. Hopefully the paper will continue to maintain these high standards and become even more popular in years to come.

# DEBATE TEAM

G. Hussey, M. Freidman, T. Wallack, S. Howe, J. Parillo, T. Laracey

The Hingham High School Debate Team has participated in many heated debates with schools in the area. The team debates on various controversial subjects such as abortion, the death penalty, and even more mundane issues such as school rules. Mr. Haviland is the advisor of the Debate Team, and he meets with the members once or twice every week to plan strategies and choose topics to argue. The team has benefitted from the experience because they have learned to listen to both sides of an argument; something that requires an open mind.

# ORCHESTRA

The Orchestra

This year's orchestra has been very successful combining efforts of the school orchestra along with the chorus. The orchestra performed Vivaldi's *Gloria*, which was a great effort and success. Under the leadership of officers Liz Park, Joan Pimental, Jen Young, and Gerard Colclough our orchestra competed in the Music Festival at Montreal, Canada, playing hard and enjoying a well-deserved trip.

The 1989-1990 Student Council, lead by President Nicole Buba, Vice President Dan Griffith, Secretary Caitlin Kelliher, and Treasurer Cecily Kovatch, had a truly successful year. Our original goal was to increase the overall spirit and pride of both students and faculty 100%. After an incredibly successful Spirit Week and several pep rallies, our enthusiasm carried over into our attempts to make the town more aware of the consequences of the failed override of Proposition 2 1/2. This year we again sponsored Health Awareness Week, our foster child Harry Jeremie of Haiti, and a Christmas can drive.

# AFS CLUB

Officers: L. Kilmartin, K. Pini, J. Friedman, A. Rowe, S. Cusak, A. Rancourt

The AFS Club of Hingham High School is one of the largest and most active clubs in the school. This year we had 225 members, making it the largest AFS Club in New England. In AFS, the members are encouraged to learn about foreign cultures through direct contact with our foreign students and by taking the opportunity to live abroad for a summer, semester, or year.

During the school year, we hold many activities, including a hike, many parties, and a Dance-a-Thon with which we raise money for charity. Both in 1988 and this year the money we raised went to the Bookshare Program, which sends textbooks to Zimbabwe for the schools and libraries.

Our other main charity event is the rake at the Friends Home on Turkey Hill. The ski trips and costume parties, dinners and barbeques are always fun and help to bring the club members together. In the spring we sponsor the short term exchange, which is the climax of the year's activities. Thirty to forty students from an AFS Club elsewhere in the country come to Hingham for a week and are hosted by Hingham AFSers. Soon after, we travel to their hometown and stay with their families for a week. This year Hingham is travelling to Berwyn, Pa. with whom we had an extremely successful exchange in 1987. Other recent exchanges were with Portsmouth, Va. in 1988 and Alcoa, Tenn. in 1989.

We've all had a lot of fun this year, welcoming the many freshmen into the club, along with the other new members. Much of our success is due to the work of our advisor, Ms. Gillard, as well as the incredible dedication present in this year's executive board, which includes Stacey Cusak as Vice-President, Liz Kilmartin as President, Kristen Pini as Treasurer, Amy Rancourt and Amy Rowe as Secretaries, and Josh Friedman with Public Relations. With these people carrying on next year, it looks as if next year's AFS Club will be just as great as this year has been.

The 1989-1990 Spanish Club has proven to be the biggest and most successful of all Spanish Clubs in recent years at Hingham High. With only two senior officers, Katie Knab (President) and Glenn Morrison (Executive of Foreign Affairs), and Spanish Club hopes to continue its activity participation in the coming years through the motivated and experienced leadership of Bridgett Flynn, the current Vice-President, Brian Jan, Secretary, and Matt Clark as Treasurer. The current executive board members Rob Hunt, Jenn Yang, and Mark Goldberg, will also help to expand the interest in the club.

This year, the Spanish Club's main goal was to reach out to other Spanish-speaking countries who are less fortunate than ourselves. The club conducted a Thanksgiving-Christmas school supplies drive, directed through the American Friend's Society, for children in Central America. As a result, the entire school contributed in sending hundreds of dollars worth of school supplies that was eventually donated to Nicaraguan children. The most successful fundraiser of the year was the gift wrapping at the Hanover Mall 2 days before Christmas. The club earned more than \$800 with that event, money with which the club hopes to allocate into special projects throughout Spanish-speaking countries. The enthusiasm and interest of all the members in this year's club has really been the key to the Spanish Club's success.

Every year Hingham High School has exchange students from different countries visit for a year so that they can learn about our country and we may learn about theirs. This year we have 7 students visiting us. Alessandro Casagni from Italy, Diana Farias of Colombia, Hreinn Guomundsson of Iceland, and Irmagard Seitner from Austria are here under the auspices of A.F.S. Pablo Gonzales from the Canary Islands is visiting the U.S with the help of the American Institute for Foreign Study. Belgian Laurent Provost is here under the Rotary Club Youth Exchange. Both Praepan Wallisuta of Thailand, and Isabelle Kobbe of Germany are here independently. All these students are supervised by Mrs. Gustufson of the guidance department.

The Hingham High School chapter of Amnesty International has been involved in a variety of activities throughout the year. Our weekly Urgent Action meetings have given support to prisoners in immediate danger. During monthly meetings the group has written to and petitioned governments concerning their humane treatment of prisoners and other citizens. We also attended a conference on the events in Tianneman Square, and helped plan and run the First National Student Conference on the Death Penalty. The Students for Students March allowed members to rally for youths who are being detained around the world. The enthusiastic work of Amnesty International members signifies their dedication to the worldwide fight for human rights.

Of the number of productions the Drama Club does every year, the largest is the Fall musical. This year's musical, "From Broadway to Baghdad," was written by our own drama director John Higgins. It involved over 150 people and it was a rousing success. The next production of the year is the Drama Festival; a yearly competition sponsored on Globe that involves schools from all over the state. In the past, Hingham has had great success, going all the way to the finals twice in 3 years. The Club plans to continue their success with this year's production, "Ernie's Incredible Hallucinations." The Drama Club also presents a musical review each Spring in conjunction with Thespian Night. Other Drama Club activities include a weekend trip to New York City to see Broadway shows, and an evening of student directed one-act plays in May.

# GREATER BOSTON STUDENT ADVISORY COUNCIL

The Greater Boston Student Advisory Council's main objective is to represent the student body to the State Board of Education. They meet with various task boards and write letters of approval or disapproval to laws which pertain to our educational system. This organization gives students a chance to really have say in what laws are passed concerning our education.

The International Thespian Society is a world renowned organization which recognizes all aspects of theater, including acting, directing, and technical jobs. This society is an honorable society where only a select few fulfill the ideals of the theater and meet the rigorous requirements of the society. Outstanding Thespians are awarded special commendations for their important contributions to the theatrical cause. This year 3 seniors were bestowed this honorary accolade: Michael Kaye, Gregory Hren, and Ammon Turner.

The Students Against Drunk Driving chapter at the high school completed many goals this year with the aid of loyal officers and members. The SADD organization has one main goal: to spread the word that drinking and driving is destructive and deadly. Through the sale of SADD tee-shirts and an assembly on the consequences of drinking and driving, we have received positive feedback that our message is being heard; that is our most important goal. We would like to thank our advisor, Mr. Peter Bailey, and we hope that the SADD tradition is carried on in the years to come. SADD wishes everyone a festive graduation and Prom, but remember: FRIENDS DON'T LET FRIENDS DRIVE DRUNK!

The 1989-1990 Volunteer Club offers their time and effort to various projects throughout the local area. This year the club organized weekly visits to local nursing homes where the members spent time with the residents talking with them and involving them in group activities. In addition, some members participated in an adopt-a-grandparent program, which allowed them to develop a relationship with an elderly friend whom they call on weekly. With the help of the Noshery the club helped supply food for nearby shelters. Also, the club sponsored a cand drive, and a drive to collect clothes and blankets for the homeless. Although this group is relatively new in the High School, they have gotten off to a great start.

Hingham High School's Peer educators are trained to listen to the problems of others and provide advice to mitigate the burden of adolescence. They deal with such problems as drug and alcohol abuse, stress, suicide, and eating disorders. The Peers encourage communication between students and their parents and teachers. They believe that through communication the problems that arise from stress and depression can be solved. Not only do the Peers teach values, but they also serve as role models. From the beginning of their membership in P.A.L.S., each student must take an oath to never drink alcohol or take drugs during the program. This year's participating seniors are Michael Reddish, Nicole Buba, Dan Griffith, and Sarah Murphy. In the past year they have talked to grade school classes in the area, and each has taught a chosen unit in the health classes about stress, suicide, drugs and alcohol, or eating disorders. This program has been enormously effective in proving that lending an ear can make a world of difference — Peers *are* listeners.

We all worked very hard to make this a special yearbook and we hope that you like it. Thanks to all the people who made meeting our deadlines a little easier: The Manion Studio, Mrs. Delay, The Mariner, Mrs. Cortese, George Loring, McGrath's Studio, Andrew Leary, Susan Kilmartin, Sharon Baynes, Sarah Cook, all the people who wrote write-ups and helped us with and especially Geoff Spence.

IS SHE REALLY GOING OUT WITH HIM?

A black and white photograph of a long, empty school hallway. The hallway is viewed from a low angle, looking down its length. On the right side, there is a long wall of lockers. The ceiling is dark with several long, rectangular fluorescent light fixtures. The floor is light-colored and has a dark line running down the center. The perspective creates a strong sense of depth and repetition.

GEORGE GRAY

I have studied many times  
The marble which was chiseled for me —  
A boat with a furled sail at rest in a harbor.  
In truth it pictures not my destination  
But my life.  
For love was offered me and I shrank from its  
disillusionment.  
Sorrow knocked at my door, but I was afraid;  
ambition called to me, but I dreaded the chances.  
Yet all the while I hungered for meaning in my life.  
And now I know that we must lift the sail  
And catch the winds of destiny  
Wherever they drive the boat.  
To put meaning in one's life may end in madness,  
But life without meaning is the torture  
Of restlessness and vague desire —  
It is a boat longing for the sea and yet afraid.
